TERMS AND CONDITIONS OF SETTLEMENT

2. **Plaintiffs' Allegations.** The Class Plaintiffs have brought their Actions as class actions under Rule 23 of the Federal Rules of Civil Procedure or under similar state rules of civil procedure, the latter of which have been properly removed to federal court. They allege, among other things, that AT&T Mobility charged certain Internet Taxes to its customers in violation of ITFA and/or various other state statutes and common law doctrines such as breach of contract. Class Plaintiffs allege that AT&T Mobility is liable for damages to the Settlement Class.

3. **Denial of Liability.** AT&T Mobility believes that the Class Plaintiffs' factual and legal allegations in the Actions are incorrect and specifically denies all liability to the Class Plaintiffs and the Settlement Class. In the Actions, AT&T Mobility generally denies Plaintiffs' allegations and possesses a number of defenses to the claims asserted as well as defenses to certification of a class or classes including arbitration agreements, which by their terms preclude class treatment and compel each plaintiff and putative class member to submit his or her claim to arbitration on an individual basis. For purposes of settlement only, and as part of this Agreement, AT&T Mobility agrees not to assert these defenses to Class Plaintiffs' claims.

4. **Negotiations.** Settlement negotiations have taken place between Interim Settlement Class Counsel and several other Plaintiffs' counsel, on the one hand, and AT&T Mobility's counsel, on the other hand. This Settlement Agreement, subject to the approval of the Court, contains all the terms of the Settlement agreed to between AT&T Mobility and the Class Plaintiffs individually and on behalf of the Settlement Class.

5. **Benefits of Settling the Actions.** Class Plaintiffs believe that the claims asserted by them in the Actions have merit and that there is evidence to support their claims. Class Plaintiffs, however, recognize and acknowledge the expense and length of continued litigation

and legal proceedings necessary to prosecute the Actions against AT&T Mobility through trial and through any appeals. Class Plaintiffs also recognize and have taken into account the uncertain outcome and risks associated with litigation and class actions in general, and the Actions in particular, as well as the difficulties and delays inherent in any such litigation.

The Class Plaintiffs are also mindful of the potential problems of proof and the possible defenses to class certification, as well as to the remedies they seek. As a result, the Class Plaintiffs believe that the Settlement set forth in this Agreement provides substantial benefits to Settlement Class Members. The Class Plaintiffs and Interim Settlement Class Counsel have therefore determined that the Settlement, as set forth in this Agreement, is fair, reasonable, adequate and in the best interests of the Settlement Class.

6. **No Admission of Liability.** By entering into this Agreement, the Settling Parties agree that AT&T Mobility is not admitting any liability to the Class Plaintiffs, the Settlement Class, or any other person or entity, and AT&T Mobility expressly denies all such liability. AT&T Mobility's sole motivation for entering into this Settlement Agreement is to dispose expeditiously of the claims that have been asserted against it in the Actions by settlement and compromise rather than incur the expense and uncertainty of protracted litigation. No portion of this Agreement may be admitted into evidence in any action, except as required to enforce this Agreement and/or to cease or enjoin other litigation pursuant to paragraph 9 of this Agreement.

7. **Settlement Class Definition.** The Master Class Action Complaint filed in the MDL Actions seeks relief for a class of Plaintiffs described as follows, which class is agreed to for purposes of settlement only and for no other purpose:

All persons or entities who are or were customers of AT&T Mobility and who were charged Internet Taxes on bills issued from November 1, 2005 through September 7, 2010.

Excluded from the Settlement Class are: (i) AT&T Mobility, any entity in which AT&T Mobility has a controlling interest or which has a controlling interest in AT&T Mobility, and AT&T Mobility's legal representatives, predecessors, successors and assigns; (ii) governmental entities; (iii) AT&T Mobility's officers, directors, agents and representatives; and (iv) the Court presiding over any motion to approve this Settlement Agreement.

8. **Settlement Consideration and AT&T Mobility's Obligations.** Subject to the provisions herein, and in full, complete and final Settlement of the Actions, the Settling Parties agree:

AT&T Mobility To Cease Challenged Practice

8.1 Subject to paragraph 8.2 below, and upon entry of the Preliminary Approval Order, AT&T Mobility agrees to cease charging the challenged Internet Taxes on those services set forth on Exhibit I in the Taxing Jurisdictions set forth on Exhibit H hereto as soon as practicable and no later than thirty (30) days after the date of the Preliminary Approval Order.

8.2 AT&T Mobility reserves the right to reinstate charging for Internet Taxes in the Taxing Jurisdictions set forth in Exhibit H if:

(a) The Settlement provided herein is not approved by the Court in accordance with the terms of this Agreement and does not become subject to a Final Order; or

(b) federal, state or local laws, statutes, regulations, administrative decisions or pronouncements, or the interpretation of any of the foregoing specifically requires, authorizes or permits the collection and payment of Internet Taxes on, or on the charges for, any services or products set forth on Exhibit I.

AT&T Mobility To Process And Assist In Processing Refund Claims

8.3 In those Taxing Jurisdictions, as set forth in Exhibit K hereto, in which only AT&T Mobility has standing to seek a refund of the Internet Taxes collected and paid by

AT&T Mobility, AT&T Mobility, on behalf of the Settlement Class but at AT&T Mobility's expense, shall file claims with the Taxing Jurisdictions for refunds of the Internet Taxes for the available period or periods for which refund claims may be filed under each jurisdiction's laws.

8.4 In those Taxing Jurisdictions, as set forth in Exhibit L hereto, in which AT&T Mobility and Class Plaintiffs have standing to seek a refund of the Internet Taxes collected and paid by AT&T Mobility, AT&T Mobility, on behalf of the Settlement Class but at AT&T Mobility's expense, shall file claims joined in by the Settlement Class with the Taxing Jurisdictions for refunds of the Internet Taxes for the period or periods for which refund claims may be filed under each jurisdiction's laws.

8.5 In those Taxing Jurisdictions, as set forth in Exhibit M hereto, in which only the Settlement Class Members have standing to seek a refund of the Internet Taxes collected and paid by AT&T Mobility, AT&T Mobility, on behalf of the Settlement Class but at AT&T Mobility's expense, shall prepare and provide: (i) a template for filing a claim for refund of Internet Taxes, (ii) documentation showing the aggregate Internet Taxes paid to each such jurisdiction for the period or periods for which refund claims may be filed under each jurisdiction's laws, and (iii) such other information reasonably necessary to prepare, file and process the refund claims as is requested by the Settlement Class and is available in AT&T Mobility's records, in a format determined by AT&T Mobility.

8.6 **Interest**

Where permitted by statute, AT&T Mobility and/or Class Plaintiffs will seek interest from the Taxing Jurisdictions with respect to the refund claims.

8.7 **Escrow of AT&T Mobility Payments Required By Taxing**

Jurisdictions

To the extent that any Taxing Jurisdiction requires that, prior to the Taxing Jurisdiction's grant and/or payment of a claimed refund of Internet Taxes, AT&T Mobility refund those amounts to the affected customers in the Settlement Class, the Settling Parties agree that such payment shall be made by AT&T Mobility in escrow to a fund (the "Pre-Refund Escrow Fund") that is independent of the Escrow Funds and Escrow Accounts separately provided for in paragraph 8.14 of this Settlement Agreement. Such payment shall be made contemporaneously with the filing of the refund claim, if such requirement is known at such time, or within 15 days after receiving notice of such requirement by the Taxing Jurisdiction. In order to effectuate the provisions of this Settlement Agreement, each Settlement Class Member agrees that, for purposes of satisfying the requirement of any Taxing Jurisdiction, that AT&T Mobility refund taxes to the affected customers prior to granting or paying a refund claim, the payment by AT&T of an amount representing Internet Taxes paid by that Settlement Class Member into the Pre-Refund Escrow Fund will be considered the payment by AT&T of such taxes to such Settlement Class Member. Interim Settlement Class Counsel further agree to take any action reasonably necessary on behalf of the Settlement Class to satisfy a Taxing Jurisdiction that such amounts have been refunded to the affected customers in satisfaction of the Taxing Jurisdiction's requirement, in order to facilitate a refund or credit of the Internet Taxes to AT&T Mobility. Amounts paid to the Pre-Refund Escrow Fund shall be held in a mutually agreeable account maintained by a party unrelated to the Settling Parties, until the occurrence of one of the following "Pre-Refund Escrow Release Events":

(a) the Taxing Jurisdiction in question pays monies to AT&T Mobility or provides tax credits in full or partial satisfaction of the refund claims filed with the Taxing Jurisdiction, at which time AT&T Mobility shall become subject to the provisions of sections 8.10 or 8.11 with respect thereto, or

(b) a final determination has been issued, for which further appeal is either not available or not pursued, by either the Taxing Jurisdiction in question denying all or any portion of the refund claims for Internet Taxes filed with that Taxing Jurisdiction or by a court of competent jurisdiction in an action initiated to compel the Taxing Jurisdiction to act on the refund claim, which action results in no refund or credit being received by AT&T Mobility.

Upon the occurrence of a Pre-Refund Escrow Release Event, all amounts previously paid by AT&T Mobility to the Pre-Refund Escrow Fund, and any interest earned thereon, that are attributable to the refund claims filed with the particular Taxing Jurisdiction at issue shall be paid to AT&T Mobility. In the event of a disagreement that prevents the occurrence of a Pre-Refund Escrow Release Event, the Settling Parties will submit the dispute to the Court under its continuing jurisdiction pursuant to paragraph 29 hereof.

8.8 Settlement Class' Consent to AT&T Mobility's Filing of Claims

Each Settlement Class Member hereby consents to: (a) AT&T Mobility's filing of the claims for refund of Internet Taxes contemplated by this Settlement Agreement; (b) the payment of refunds or issuance of tax credits by the Taxing Jurisdictions to AT&T Mobility in accordance with the terms of the Settlement Agreement; and (c) the distribution of the Net Settlement Fund in accordance with paragraph 8.19. In light of AT&T Mobility's obligation to pay the refunded or credited Internet Taxes received by AT&T Mobility to the Escrow Accounts, the Settling Parties agree that AT&T Mobility has assigned and refunded to the Settlement Class

all Internet Tax refunds to be sought pursuant to the Settlement Agreement as they related to members of the Settlement Class. To the extent required by the law of any state or local jurisdiction at issue, the Settlement Class assigns AT&T Mobility all rights of the Settlement Class Members to file the refund claims for Internet Taxes contemplated by this Settlement Agreement.

8.9 **Procedures For Filing And Prosecuting Refund Claims**

The procedures for filing refund claims as set forth in the foregoing paragraphs shall be governed by the provisions and subject to the time frames set forth in the Refund Procedures Protocol attached hereto as Exhibit N. AT&T Mobility will respond to inquiries from the Taxing Jurisdictions regarding the claims for refunds. If a Taxing Jurisdiction notifies AT&T Mobility of its denial, in whole or in part, of a refund claim, AT&T Mobility will promptly notify Interim Settlement Class Counsel. Interim Settlement Class Counsel shall notify AT&T Mobility as to whether the Settlement Class wants to appeal or otherwise contest the adverse ruling or decision of the Taxing Jurisdiction on the refund claim. If Interim Settlement Class Counsel determines to appeal the adverse ruling or decision of the Taxing Jurisdiction, AT&T Mobility shall cooperate in the appeal. AT&T Mobility and Interim Settlement Class Counsel shall select independent counsel to prosecute the appeal. Independent counsel shall work at the direction of Interim Settlement Class Counsel. AT&T Mobility shall have the right to review and comment on any filings or positions taken with the Taxing Jurisdiction and the right to prohibit the assertion of any positions in such filings that are made in the name of AT&T Mobility and deemed by AT&T Mobility to be inconsistent with the facts, contrary to law, or damaging to AT&T Mobility. Any fees and expenses payable to the independent counsel shall be paid from any funds generated as a result of the appeal or, if the appeal is unsuccessful, by

Interim Settlement Class Counsel. If the Settling Parties disagree on any aspect on the prosecution of an appeal, they will submit the dispute to the Court under its continuing jurisdiction pursuant to paragraph 29 hereof. Notwithstanding the foregoing, AT&T Mobility shall retain the right but not the obligation to appeal, otherwise contest, or further prosecute an appeal of any adverse ruling or decision in the event that Settlement Class Counsel declines to do so for any reason.

8.10 **AT&T Mobility's Assignment Of Refunds**

With respect to those refund claims filed in the name of AT&T Mobility, to the extent that the Taxing Jurisdiction grants AT&T Mobility a refund, AT&T Mobility shall assign all of its rights, title and interest in the refund related to the members of the Settlement Class, subject to any claims or conditions that may be imposed on such refund by the Taxing Jurisdiction. In accordance with this assignment, AT&T Mobility shall seek to have the refunded monies paid directly to the Escrow Accounts by the Taxing Jurisdictions. All monies that are nonetheless received by AT&T Mobility relating to the refund claims filed with the Taxing Jurisdictions that relate to members of the Settlement Class shall be transferred by AT&T Mobility to the Escrow Accounts established at the Depository Bank within seven (7) business days of receipt. The monies transferred by AT&T Mobility to the Escrow Accounts for refunds from a Taxing Jurisdiction shall be segregated by the Escrow Agent pursuant to the Escrow Agreement into separate accounts, each designated as originating from the specific jurisdiction for which the monies in question were received and each for the benefit of those Settlement Class Members who remitted Internet Taxes to AT&T Mobility for payment to such Taxing Jurisdiction making the refund.

8.11 **Payments By AT&T Mobility Relating To Tax Credits**

To the extent a Taxing Jurisdiction issues future tax credits to AT&T Mobility in lieu of a refund of monies sought on a refund claim for Internet Taxes, AT&T Mobility shall remit monies in the amount of the credit as they relate to members of the Settlement Class to the Escrow Accounts established at the Depository Bank as quickly as possible but within fourteen (14) business days of receipt of notification of the future tax credits as follows:

(a) If, in the judgment of AT&T Mobility, the use of the future tax credit will be spread over a three (3) year period or less, AT&T Mobility shall remit monies to the Escrow Accounts equal to the total future tax credits as they related to members of the Settlement Class;
or

(b) If, in the judgment of AT&T Mobility, the use of the future tax credit will be spread over a period longer than three (3) years, AT&T Mobility shall remit monies to the Escrow Accounts equal to the net present value of such future tax credits as they relate to members of the Settlement Class for the fourth and succeeding years using a 5% discount rate to compute the net present value. The amount of the first three (3) years shall be paid with no discount.

The monies paid by AT&T to the Escrow Accounts as a result of credits issued by a tax jurisdiction in lieu of a refund shall be segregated by the Escrow Agent pursuant to the Escrow Agreement into separate accounts, each designated as originating from the specific jurisdiction issuing the future tax credits in question and each for the benefit of those Settlement Class Members who remitted taxes to AT&T Mobility for payment to such Taxing Jurisdiction issuing the credit.

8.12 **Refunds On Claims Filed By Class Plaintiffs**

With respect to those refund claims filed by Class Plaintiffs on behalf of certain members of the Settlement Class, Class Plaintiffs and Interim Settlement Class Counsel shall direct the Taxing Jurisdiction to pay all monies received on any refund claim which relates to members of the Settlement Class to the Escrow Accounts established at the Depository Bank.

The monies received by Class Plaintiffs and Interim Settlement Class Counsel and paid to the Escrow Accounts and monies that are paid directly to the Escrow Accounts by a Taxing Jurisdiction as a result of a refund of Internet Taxes granted by a Taxing Jurisdiction shall be segregated by the Escrow Agent pursuant to the Escrow Agreement into separate accounts, each designated as originated from the specific jurisdiction from which monies in question were received and each for the benefits of those Settlement Class Members who remitted taxes to AT&T Mobility for payment to such Taxing Jurisdiction making the refund.

8.13 **AT&T Mobility's Payment Of Vendor's Compensation**

Except to the extent a Taxing Jurisdiction's refund on a claim filed by Class Plaintiffs under paragraph 8.12 includes some or all of the Vendor's Compensation related to the Internet Taxes paid to such Taxing Jurisdiction, AT&T Mobility shall remit the Vendor's Compensation collected from Settlement Class Members to the Escrow Accounts established at the Depository Bank within seven (7) business days of receipt of the final disposition of the refund request for each Taxing Jurisdiction. The monies paid by AT&T Mobility to the Escrow Accounts shall be segregated by the Escrow Agent pursuant to the Escrow Agreement into separate accounts, each designated as originating from the specific jurisdiction authorizing the

Vendor's Compensation and each for the benefit of those Settlement Class Members who were charged Internet Taxes from which the Vendor's Compensation at issue was deducted.

8.14 **Escrow Agreement**

The Escrow Accounts shall be established at the Depository Bank and administered by the Escrow Agent under the Court's continuing supervision and control pursuant to the Escrow Agreement executed by the Escrow Agent and Settling Parties

8.15 **Jurisdiction Of Court**

All Settlement Funds transmitted to and held by the Escrow Agent as required by this Agreement shall be deemed and considered to be in custodia legis of the Court, and shall remain subject to the exclusive jurisdiction of the Court, until such time as the Settlement Fund has been completely distributed pursuant to the terms of this Agreement, and/or any further order(s) of the Court.

8.16 **Settlement Fund Tax Status**

Settling Parties agree to treat the Settlement Fund as being at all times a "qualified settlement fund" within the meaning of Treas. Reg. § 1.468B-1 (or any successor regulation). In addition, the Escrow Agent shall timely make such elections as necessary or advisable to carry out the provisions of this paragraph, including the "relation-back election" (as defined in Treas. Reg. § 1.468B-1) (or any successor regulation) back to the earliest permitted date. Such elections shall be made in compliance with the procedures and requirements contained in such regulations. It shall be the responsibility of the Escrow Agent to timely and properly prepare and deliver the necessary documentation for signature by all necessary parties, and thereafter to cause the appropriate filing to occur.

8.17 **Tax Returns**

For the purpose of Treas. Reg. § 1.468B (or any successor regulation) of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder, the “administrator” shall be the Escrow Agent. The Escrow Agent shall timely and properly file all informational and other tax returns necessary or advisable with respect to the Settlement Fund (including, without limitation, the returns described in Treas. Reg. § 1.468B-2(k)) (or any successor regulation). Such returns (as well as the election described in paragraph 8.16 above) shall be consistent with this subparagraph and in all events shall reflect that all taxes (including any estimated taxes, interest or penalties) on the income earned by the Settlement Fund shall be paid out of the Settlement Fund as provided in paragraph 8.18 hereof.

8.18 **Tax Payments**

All (a) taxes (including any estimated taxes, interest or penalties) arising with respect to the income earned by the Settlement Fund, including any taxes or tax detriments that may be imposed upon AT&T Mobility with respect to any income earned by the Settlement Fund for any period during which the Settlement Fund does not qualify as a “qualified settlement fund” for federal or state income tax purposes, and (b) expenses and costs incurred in connection with the operation and implementation of this paragraph (including, without limitation, expenses of tax attorneys and/or accountants and mailing and distribution costs and expenses relating to filing (or failing to file) the returns described in paragraph 8.17) shall be paid out of the Settlement Fund. In no event shall AT&T Mobility have any responsibility for or liability with respect to the taxes or tax related expenses. The Escrow Agent shall indemnify and hold AT&T Mobility harmless for taxes and tax related expenses (including, without limitation, taxes payable by reason of any such indemnification). Further, taxes and tax related expenses shall be treated

as, and considered to be, a cost of administration of the Settlement fund and shall be timely paid by the Escrow Agent out of the Settlement Fund without prior order from the Court, and the Escrow Agent shall be obligated (notwithstanding anything herein to the contrary) to withhold from distribution any funds necessary to pay such amounts, including the establishment of adequate reserves for any taxes and tax related expenses (as well as any amounts that may be required to be withheld under Treas. Reg. § 1.468.B-2(1)(2)) (or any successor regulation). AT&T Mobility is not responsible therefore nor shall it have any liability with respect thereto. The Settling Parties hereto agree to cooperate with the Escrow Agent, each other, and their tax attorneys and accountants to the extent reasonably necessary to carry out the provisions of this paragraph.

8.19 **Distribution Of Net Settlement Fund**

The Net Settlement Fund shall be distributed to Settlement Class Members in accordance with the procedures set forth in the Plan of Distribution attached hereto as Exhibit O.

9. **Cessation of Litigation Activity.** Immediately upon execution of this Agreement, Class Plaintiffs, Interim Settlement Class Counsel, and AT&T Mobility agree to cease all litigation activity in the MDL Actions (other than any activity to implement this Settlement Agreement), and to request the Court to stay all motions or other pre-trial matters and to continue any hearing or trial settings until each of the conditions precedent to the Settling Parties' obligations to proceed to consummate the settlement provided for herein has been satisfied or waived.

10. **Class Certification for Settlement Purposes Only.** If the settlement provided for herein is not approved by the Court in complete accordance with the terms of this Agreement

and does not become subject to a Final Order following preliminary approval, no class will be deemed certified by or as a result of this Agreement, and any order certifying a settlement class will be void for all purposes. In such event, AT&T Mobility will not be deemed to have consented to certification of any class.

11. **Class Notification.** For purposes of Court-approved class notices and establishing that the best practicable notice has been given, membership in the Settlement Class shall be determined exclusively from the records of AT&T Mobility.

12. **Application for Attorneys' Fees, Expenses and Class Representative Compensation.** Interim Settlement Class Counsel agree that they will seek an order approving attorneys' fees that will reflect the results obtained and the work and effort required finally to obtain recoveries for the Settlement Class, and will seek such recovery from the funds obtained for the Settlement Class. Interim Settlement Class Counsel agree that they will seek a fee no greater than the lesser of ten percent (10%) of the aggregate value of the settlement or twenty-five percent (25%) of the amounts refunded by Taxing Jurisdictions to the Settlement Class. Interim Settlement Class Counsel will also seek reimbursement for their reasonable out-of-pocket expenses incurred in pursuing this litigation on behalf of the Settlement Class from funds obtained for the Settlement Class under this Settlement Agreement. Finally, Interim Settlement Class Counsel will seek compensation to the Class Representatives in an amount not to exceed \$5,000 for each state-specific subclass representative from the funds obtained for the Settlement Class.

13. **Dismissal.** Upon the final approval of this Agreement by the Court, Class Plaintiffs and Interim Settlement Class Counsel shall move to dismiss the Actions. Class Plaintiffs and Interim Settlement Class Counsel will seek dismissal without prejudice for the

limited purpose of allowing the Court to retain jurisdiction to enforce the terms of the Agreement. The Settling Parties stipulate that the dismissal will be treated for all purposes as a dismissal with prejudice, except when an enforcement action is pending.

14. **Release of AT&T Mobility.** Subject to and effective upon entry of a Final Order, Class Plaintiffs on their own behalf and on behalf of all Settlement Class Members who do not opt out of the Settlement Class, for and in consideration of the terms and undertakings herein, the sufficiency and fairness of which are acknowledged, hereby release and forever discharge AT&T Mobility (as defined in paragraph 1.2) from any and all claims, demands, debts, liabilities, actions, causes of action of every kind and nature, obligations, damages, losses, and costs, whether known or unknown, actual or potential, suspected or unsuspected, direct or indirect, contingent or fixed, that were or could have been asserted or sought in the Actions, relating in any way or arising out of (a) AT&T Mobility's charging of the Internet Taxes (as defined in paragraph 1.17) and (b) any and all claims that were asserted or could have been asserted by the Settlement Class in the Actions with respect to AT&T Mobility's charging of taxes, fees or surcharges on internet access allegedly in violation of ITFA, state and local laws.

"Unknown" claims as released herein means any and all claims that any member of the Settlement Class does not know to exist against AT&T Mobility which, if known, might have affected his or her decision to enter into or to be bound by the terms of this Settlement. The Class Plaintiffs and the members of the Settlement Class acknowledge that they may hereafter discover facts in addition to or different from those that they now know or believe to be true concerning the subject matter of this release, but nevertheless fully, finally, and forever settle and release any and all claims, known or unknown, derivative or direct, suspected or unsuspected, accrued or unaccrued, asserted or unasserted, in law or equity, including, without limitation,

claims that have been asserted or could have been asserted in the Actions against AT&T Mobility with respect to AT&T Mobility's charging of taxes, fees or surcharges on internet access allegedly in violation of ITFA, state and local laws, that they now have, ever had, or may have had as of the date the Final Order becomes final. The foregoing waiver includes, without limitation, an express waiver to the fullest extent permitted by law, by the Class Plaintiffs and the Settlement Class Members of any and all rights under California Civil Code § 1542 or any similar law of any other state or of the United States, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MIGHT HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

The Settling Parties acknowledge, and the Settlement Class Members shall be deemed by operation of the Final Order to have acknowledged, that the foregoing waiver was separately bargained for and a key element of the Settlement of which this release is a part.

15. **Administration and Cost of Settlement.** AT&T Mobility will bear the responsibility for implementing the Class Notice and for paying the costs of mailing, publication, and printing the notices detailed in paragraph 16 hereof to be given to the Settlement Class pursuant to this Agreement.

The Settlement Administrator shall establish a website with the particulars of the Settlement. The Settlement Administrator also shall establish an automated 1-800 number for Settlement Class Members to obtain further information on the Settlement. The Settlement Administrator shall distribute the Net Settlement Fund to the Settlement Class Members. AT&T Mobility, at its expense, shall provide to the Settlement Administrator a database from its records

of the names and addresses of the Settlement Class Members, including the total amount of Internet Taxes actually paid by each Settlement Class Member with respect to each of the Taxing Jurisdictions for which a refund claim was filed pursuant to this Settlement Agreement. The Costs of Administration shall be paid from the Settlement Fund prior to distribution of the Net Settlement Fund.

16. **Form of Notice to Settlement Class Members.** Class Plaintiffs and AT&T Mobility agree that, if the Court authorizes Class Notice to be disseminated to the Settlement Class Members as provided for in this Agreement, AT&T Mobility will issue a bill message and text message in the forms of Exhibits B and C attached hereto to each Settlement Class Member who is a Current Customer at the time notice is disseminated as identified from AT&T Mobility's records. Any Settlement Class Members who request a long-form notice will receive the document attached hereto as Exhibit D. It is agreed, subject to approval of the Court, that there shall be a single issuance of notice to the Current Customers in the Settlement Class.

In addition to mailing, it is agreed, subject to approval of the Court, that AT&T Mobility will provide for the publication of the Publication Notice twice in the *USA Today*. The form of the Publication Notice is contained in Exhibit E attached hereto. To the extent AT&T Mobility has e-mail addresses of Former Customers, AT&T Mobility will provide Notice in the form of Exhibit E by e-mail to such Former Customers. AT&T Mobility shall use the last known e-mail address of the Former Customers. With respect to those Former Customers who AT&T Mobility does not have e-mail addresses, AT&T Mobility agrees, subject to approval of the Court, to serve a postcard notice in substantially the form attached hereto as Exhibit F to the last known address of such Former Customers as reflected in AT&T Mobility's records.

It is stipulated and agreed that the foregoing terms with respect to the Class Notice are material conditions precedent to AT&T Mobility's obligations under this Agreement. If the extent of Class Notice provided for in this Agreement is not approved by the Court in all material respects, it is understood that AT&T Mobility will not be obligated to proceed with the settlement provided for herein.

17. **Receipt of Requests for Exclusion.** Interim Settlement Class Counsel shall be responsible for obtaining a United States Post Office Box, for the purpose of receiving requests for exclusion that are submitted in accordance with Class Notice. Interim Settlement Class Counsel shall also be responsible for promptly giving notice of the receipt of any such requests for exclusion by providing complete copies thereof to counsel for AT&T Mobility.

18. **Court Submission.** Interim Settlement Class Counsel and AT&T Mobility's counsel will submit this Agreement and the exhibits hereto, along with such other supporting papers as may be appropriate, to the Court for preliminary approval of this Agreement pursuant to Rule 23 of the Federal Rules of Civil Procedure. If the Court declines to grant preliminary approval of this Settlement Agreement and to order notice of hearing with respect to the proposed Settlement Class, or if the Court declines to grant final approval to the foregoing after such notice and hearing, this Agreement will terminate as soon as the Court enters an order unconditionally and finally adjudicating that this Settlement Agreement will not be approved.

19. **Final Judgment.** The Settling Parties agree that the settlement provided herein is expressly conditioned upon dismissal with prejudice of the Actions and, upon final distribution of the Net Settlement Fund, entry of a Final Order dismissing the Actions with prejudice.

20. **AT&T Mobility's Right to Set Aside Settlement.** AT&T Mobility shall have the right to set aside or rescind this Agreement, in the good faith exercise of its discretion, if any of the following events occur.

20.1 Opt-Outs. Opt-outs from Settlement Class Members represent more than five percent (5%) of the dollar amount of the Internet Taxes;

20.2 Objection(s) to Settlement Sustained. If any objections to the proposed settlement are sustained;

20.3 Modification(s) by the Court. If there are any material modifications to this Agreement, including exhibits, by the Court, by any other court, or by any tribunal, agency, entity, or person.

20.4 The Settling Parties agree that pursuant to settled law and under this Agreement, no Settlement Class Member possesses the right to opt-out a class of others from the Settlement. If the Court nevertheless affords this right to any Settlement Class Member, AT&T Mobility shall have the right to set aside or rescind this Agreement.

In the event AT&T Mobility exercises its discretion to set aside the Settlement, this Agreement and all negotiations, proceedings, documents prepared, and statements made in connection herewith shall be without prejudice to the Settling Parties, shall not be deemed or construed to be an admission or confession by the Settling Parties of any fact, matter, or proposition of law, and shall not be used in any manner for any purpose, and all parties to the Actions shall stand in the same position as if this Agreement had not been negotiated, made, or filed with the Court. In such event, the parties to the Actions shall move the Court to vacate any and all orders entered by the Court pursuant to the provisions of this Agreement.

21. **Integration Clause.** This Settlement Agreement contains a full, complete, and integrated statement of each and every term and provision agreed to by and among the Settling Parties and supersedes any prior writings or agreements (written or oral) between or among the Settling Parties, which prior agreements may no longer be relied upon for any purpose. This Settlement Agreement shall not be orally modified in any respect and can be modified only by the written agreement of the Settling Parties supported by acknowledged written consideration. In the event a dispute arises between the Settling Parties over the meaning or intent of this Agreement, the Settling Parties agree that prior drafts, notes, memoranda, discussions or any other oral communications or documents regarding the negotiations, meaning or intent of this Agreement shall not be offered or admitted into evidence. Class Plaintiffs and Interim Settlement Class Counsel acknowledge that, in entering into this Settlement Agreement, they have not relied upon any representations, statements, actions, or inaction by AT&T Mobility or its counsel that are not expressly set forth herein.

22. **Headings.** Headings contained in this Agreement are for convenience of reference only and are not intended to alter or vary the construction and meaning of this Agreement.

23. **Governing Law.** To the extent not governed by the Federal Rules of Civil Procedure, the contractual terms of this Agreement shall be interpreted and enforced in accordance with the substantive law of the State of Georgia.

24. **Mutual Interpretation.** The Settling Parties agree and stipulate that this Agreement was negotiated on an “arms-length” basis between parties of equal bargaining power. Also, the Agreement has been drafted jointly by Interim Settlement Class Counsel and counsel

for AT&T Mobility. Accordingly, this Agreement shall be neutral and no ambiguity shall be construed in favor of or against any of the Settling Parties.

25. **Notice.** Whenever any written notice is required by the terms of this Agreement, it shall be deemed effective on the delivered date, service to be by First-Class Mail addressed as follows:

26. **Counterpart Execution.** This Agreement may be executed in any number of counterparts and will be binding when it has been executed and delivered by the last signatory

hereto. A facsimile signature shall be deemed to constitute an original signature for purposes of this Agreement. After execution of counterparts by each designated signatory, AT&T Mobility agrees to furnish each party with a composite conformed copy of this Agreement reflecting all counterpart signatures.

27. **Binding Upon Successors.** This Agreement shall be binding upon and inure to the benefit of the Settling Parties hereof and their representatives, heirs, successors, and assigns.

28. **Severability.** In the event any one or more of the provisions contained in this Agreement shall for any reason be held invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions if the Settling Parties and their counsel mutually elect by written stipulation to be filed with the Court within twenty (20) days to proceed as if such invalid, illegal, or unenforceable provisions had never been included in this Agreement.

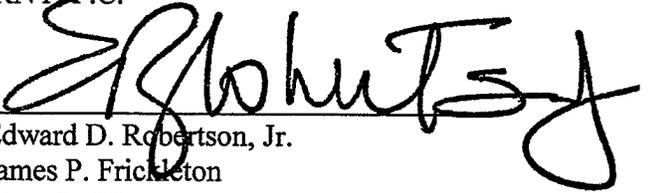

29. **Continuing Jurisdiction.** Without affecting the finality of the Final Judgment, the Court shall retain continuing jurisdiction over the Actions and the Settling Parties, including all members of the Settlement Class, the administration and enforcement of the Settlement, and the benefits to the Settlement Class hereunder, including for such purposes as supervising the implementation, enforcement, construction, and interpretation of this Settlement Agreement, the order preliminarily approving the Settlement Agreement, and the Final Judgment, and hearing and determining an application by Class Counsel for an award of attorneys' fees, expenses and Class Representative compensation. Any dispute or controversies arising with respect to the interpretation, enforcement, or implementation of the Settlement Agreement shall be presented by motion to the Court, exclusively.

30. **Warranty of Counsel.** Interim Settlement Class Counsel unconditionally represent and warrant that they are fully authorized to execute and deliver this Agreement on behalf of the Class Plaintiffs.

The undersigned parties have executed this Agreement as of the date first above written.

Exhibit D

United States District Court, Northern District of Illinois, Eastern Division

**NOTICE OF PENDENCY OF CLASS ACTION,
PROPOSED SETTLEMENT AND HEARING**

A court authorized this notice. This is not a solicitation from a lawyer.

- If you paid taxes, fees or surcharges (“Internet Taxes”) to AT&T Mobility LLC (“AT&T Mobility”) on internet access through certain services including iPhone data plans, Blackberry data plans, other smart phone data plans, laptop connect cards and pay-per-use data services on bills issued from November 1, 2005 up to and including September 7, 2010, you might be eligible to receive benefits from a class action settlement.
- The settlement resolves lawsuits concerning AT&T Mobility charging Internet Taxes for internet access through certain services.
- The two sides disagree about whether AT&T Mobility’s charging of Internet Taxes was proper, and if it was improper, how much the plaintiffs would have been entitled to. The parties have agreed to resolve these cases by a settlement.
- Your legal rights are affected. Read this notice carefully.

YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT:

Remain in the Settlement Class	If you wish to receive benefits under the Settlement, you do not need to take any action at this time.
Exclude Yourself	Get no benefit. This is the only option that allows you to ever be part of any other lawsuit against AT&T Mobility about the legal claims in this case.
Object	Write to the Court about why you don’t like the settlement.
Go To A Hearing	Ask to speak in Court about the fairness of the settlement.

- The rights and options – **and the deadlines to exercise them** – are explained in this notice.
- The Court still has to decide whether to approve this settlement, which may take some time. Please be patient.

BASIC INFORMATION

1. Why did I get this notice package?

You are receiving this notice because you have been identified as a potential member of a Settlement Class consisting of:

All persons or entities who are or were customers of AT&T Mobility and who were charged Internet Taxes on bills issued from November 1, 2005 through September 7, 2010.

Excluded from the class are (i) AT&T Mobility, any entity in which AT&T Mobility has a controlling interest or which has a controlling interest in AT&T Mobility, and AT&T Mobility's legal representatives, predecessors, successors and assigns; (ii) governmental entities; (iii) AT&T Mobility's officers, directors, agents and representatives; and (iv) the Court presiding over any motion to approve this Settlement Agreement.

As such, the Court sent you this Notice because you have a right to know about a proposed settlement of class action lawsuits, and about all of your options, before the Court decides whether to approve the settlement. If the Court approves the settlement, and objections or appeals relating to that settlement are resolved, the benefits provided for by the settlement will be available to Settlement Class members.

This package explains the lawsuits, the settlement, your legal rights, what benefits are available, who is eligible for them, and how to get them.

The Court in charge of the cases is the United States District Court for the Northern District of Illinois, Eastern Division, and the case is known as *In Re: AT&T Mobility Wireless Data Services Sales Tax Litigation*, Case No. 1:10-cv-02278. The persons who sued are called the Plaintiffs, and AT&T Mobility is the Defendant.

2. What are these lawsuits about?

Plaintiffs allege that AT&T Mobility charges customers for taxes, fees and surcharges on internet access through certain services including iPhone data plans, Blackberry data plans, other smart phone data plans, laptop connect cards and pay-per-use data services in violation of the Internet Tax Freedom Act, 47 U.S.C. § 151 (1998) (as amended) and other state laws. The Plaintiffs allege that AT&T Mobility is liable for damages to the Class. AT&T Mobility believes that the Plaintiffs' factual and legal allegations in the lawsuits are incorrect and specifically denies all liability to the Plaintiffs and the Settlement Class. In the lawsuits, AT&T Mobility has denied the Plaintiffs' allegations and raised a number of defenses to the claims asserted.

QUESTIONS?

VISIT WWW.ATTMSETTLEMENT.COM OR

CALL 1-877-905-8928

This Notice does not imply that there has been any finding of any violation of the law by AT&T Mobility or that recovery could be had in a certain amount. Although the Court has authorized Notice to be given of the proposed settlement, this Notice does not express the opinion of the Court on the merits of the claims or defenses asserted by either side in the lawsuits.

3. Why are these class actions?

Class actions are lawsuits in which the claims and rights of many people are decided in a single court proceeding. Representative Plaintiffs (“Class Representatives”) are named in the lawsuit to assert the claims of the entire class. This avoids the necessity for a large number of people to file similar individual lawsuits and enables the court system to resolve similar claims in an efficient and economical way. Class actions provide a vehicle whereby people with similar claims are treated alike. In a class action, the court is guardian of class interests and supervises the prosecution of the class claims by Settlement Class Counsel to assure that the representation is adequate. Class members are not individually responsible for the costs or fees of counsel, which are subject to court award.

4. Why is there a settlement?

The Court did not decide in favor of the Class Representatives or AT&T Mobility. Settlement Class Counsel have investigated the facts and applicable law regarding the Class Representatives’ claims and AT&T Mobility’s defenses. The parties have engaged in lengthy and “arms-length” negotiations in reaching this settlement. The Class Representatives and Settlement Class Counsel believe that the proposed settlement is fair, reasonable and adequate and in the best interests of the class. Both sides agree that, by settling, AT&T Mobility is not admitting any liability or that it did anything wrong, but both sides want to avoid the uncertainties and high cost in time and money in litigation of this type.

Who Is In The Settlement

To see if you will get a benefit from this settlement, you first have to decide if you are a Class Member.

5. How do I know if I am part of the settlement?

You are a part of the settlement if you paid taxes, fees or surcharges to AT&T Mobility on internet access through certain services including iPhone data plans, Blackberry data plans, other smart phone data plans, laptop connect cards and pay-per-use data services on bills issued from November 1, 2005 up to and including September 7, 2010.

Excluded from the class are (i) AT&T Mobility, any entity in which AT&T Mobility has a controlling interest or which has a controlling interest in AT&T Mobility, and AT&T Mobility's legal representatives, predecessors, successors and assigns; (ii) governmental entities; (iii) AT&T Mobility's officers, directors, agents and representatives; and (iv) the Court presiding over any motion to approve this Settlement Agreement.

6. I'm still not sure if I am included.

If you are still not sure whether you are included, you can ask for free help. You can visit www.attmsettlement.com for more information.

The Settlement Benefits – What You Get

7. What does the settlement provide?

If you determine that you are a member of the class, you may receive benefits under the Settlement. The Settlement provides:

Subject to a future law, regulation or ruling requiring, authorizing or permitting collection of the Internet Taxes in your jurisdiction, AT&T Mobility will cease charging the Internet Taxes on certain services as set forth in the Settlement Agreement. AT&T Mobility, on behalf of the Settlement Class, but at AT&T Mobility's expense, shall prepare and process refund claims for filing with the various taxing jurisdictions seeking a refund of the Internet Taxes collected by AT&T Mobility from the Settlement Class and paid by AT&T Mobility to the taxing jurisdictions. AT&T Mobility and/or the Class Representatives will file the refund claims. As part of the Settlement, AT&T Mobility has assigned its rights, title and interest in such refunds to the Settlement Class. If a taxing jurisdiction issues future tax credits to AT&T Mobility in lieu of a refund of monies sought on a refund claim for Internet Taxes, AT&T Mobility shall remit monies to the escrow accounts established pursuant to the Settlement. If the use of the future tax credit will be spread over a three (3) year period or less, AT&T Mobility shall remit monies to the escrow accounts equal to the total future tax credits. If the use of the future tax credit will be spread over a period longer than three (3) years, AT&T Mobility shall remit monies to the escrow accounts equal to the net present value of such future tax credits for the fourth and succeeding years using a 5% discount rate to compute the net present value. The amount of the first three (3) years shall be paid with no discount. Finally, AT&T Mobility has agreed to pay to the Settlement Class any vendor's compensation related to the Internet Taxes AT&T Mobility was allowed by certain taxing jurisdictions in the form of a credit against taxes owing to the taxing jurisdictions, which is generally considered to be compensation for the vendor's collecting and remitting taxes to the taxing jurisdiction. Vendor's compensation shall not include amounts to which AT&T would have been entitled independent of the collection of Internet Taxes based on limitations on the amount of credit allowed pursuant to applicable law. All refunds or

payments by AT&T Mobility related to credits and payments of the vendor's compensation will fund separate escrow accounts for the benefit of the Settlement Class.

Payments to Settlement Class members will be made when all of the refunds/credits are made from each taxing jurisdiction in each state and after deduction of Court approved costs, expenses and attorneys' fees and Class Representative Compensation.

How You Receive Settlement Benefits

8. How can I get a benefit?

To qualify for benefits, you need do nothing at this time. If you wish to receive benefits under the Settlement, you do not need to take any action. Your interest as a member of the Settlement Class will be represented by the Class Representatives and Settlement Class Counsel. You will be bound by any judgment approving or disapproving the Settlement. If the Settlement is approved, the Settlement Administrator will send you any monies that you are entitled to under the Settlement.

If you change your address, you must mail a notification of your new address to the Settlement Administrator.

9. When would I get my benefit?

The Court will hold a hearing on March 10, 2011, to decide whether to approve the Settlement. If the Settlement is approved, there may be appeals. Payments to Settlement Class members will be made after the Settlement is finally approved and after all of the refunds/credits are made from each taxing jurisdiction in your state. This may take some time, so please be patient.

10. What am I giving up to get a benefit or stay in the class?

Upon the Court's approval of the settlement, the class members who do not exclude themselves, will release and forever discharge AT&T Mobility, all of their predecessors in interest, successors in interest and any of their parents, subsidiaries, divisions or affiliates, and their officers, directors, employees, trustees, principals, attorneys, agents, representatives, vendors, shareholders, partners, limited partners, as well as any person acting or purporting to act on their behalf or on behalf of those in privity with AT&T Mobility or AT&T Inc. and the Settlement Class Members from any and all claims, demands, debts, liabilities, actions, causes of action of every kind and nature, obligations, damages, losses, and costs, whether known or unknown, actual or potential, suspected or unsuspected, direct or indirect, contingent or fixed, that were or could have been asserted or sought in the Actions, relating in any way or arising out of (a) AT&T Mobility's charging of the Internet Taxes and any and all claims that were asserted or could have been asserted by the Settlement Class in the Actions with respect to AT&T

Mobility's charging of taxes, fees or surcharges on internet access allegedly in violation of ITFA, state and local laws.

"Unknown" claims as released herein means any and all claims that any member of the Settlement Class does not know to exist against AT&T Mobility which, if known, might have affected his or her decision to enter into or to be bound by the terms of this Settlement. The Plaintiffs and the members of the Settlement Class acknowledge that they may hereafter discover facts in addition to or different from those that they now know or believe to be true concerning the subject matter of this release, but nevertheless fully, finally, and forever settle and release any and all claims, known or unknown, derivative or direct, suspected or unsuspected, accrued or unaccrued, asserted or unasserted, in law or equity, including, without limitation, claims that have been asserted or could have been asserted in the Actions against AT&T Mobility with respect to AT&T Mobility's charging of taxes, fees or surcharges on internet access allegedly in violation of ITFA, state and local laws, that they now have, ever had, or may have had as of the date the Final Order becomes final. The foregoing waiver includes, without limitation, an express waiver to the fullest extent permitted by law, by the Plaintiffs and the Settlement Class members of any and all rights under California Civil Code § 1542 or any similar law of any other state or of the United States, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MIGHT HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Excluding Yourself From The Settlement

11. How do I get out of the settlement?

If you choose to be excluded from the Settlement Class, you will not be bound by any judgment or other final disposition of the lawsuits. You will retain any claims against AT&T Mobility you might have. To request exclusion, you must state in writing your desire to be excluded from the Settlement Class. You must sign your request for exclusion personally or by legal counsel. Your request must include: (1) your full name, current address and address when you were charged Internet Taxes by AT&T Mobility; (2) your signature; and (3) a specific statement that "I want to be excluded from the Settlement Class." **The request for exclusion must be sent by first class mail, postmarked on or before February 2, 2011, addressed to:**

If the request is not postmarked on or before February 2, 2011, your request for exclusion will be invalid, and you will be included in the Settlement Class automatically. If you do not request exclusion, you will be bound by the terms of the settlement approved by the Court, including without limitation, the judgment ultimately rendered in the cases, and you will be barred from bringing any claims which arise out of or relate in any way to AT&T Mobility charging you Internet Taxes.

12. If I don't exclude myself, can I sue AT&T Mobility for the same thing later?

No. Unless you exclude yourself, you give up any right to sue AT&T Mobility for the claims that this settlement resolves. If you have a pending lawsuit, speak to your lawyer in that case immediately.

13. If I exclude myself, can I get benefits from this settlement?

No. If you exclude yourself, you are not part of the Settlement.

Settlement Class Counsel represent the interests of the Settlement Class. You may hire your own attorney to advise you, but if you hire your own attorney, you will be responsible for paying that attorney's fees.

15. How will the lawyers be paid?

Settlement Class Counsel will apply to the Court for an award of reasonable attorneys' fees and expenses and Class Representatives' compensation.

Settlement Class Counsel plan on seeking an order approving attorneys' fees that reflect the results obtained and the work and effort required finally to obtain recoveries for the Settlement Class, and will seek such recovery from the funds obtained for the Settlement Class. Settlement Class Counsel agree that they will seek a fee no greater than the lesser of ten percent (10%) of the aggregate value of the Settlement or twenty-five percent (25%) of the amounts refunded by taxing jurisdictions to the Settlement Class. Settlement Class Counsel also will seek reimbursement for their reasonable out-of-pocket expenses incurred in pursuing this litigation on behalf of the Settlement Class from funds obtained for the Settlement Class under the Settlement Agreement. Finally, Settlement Class Counsel will seek compensation to the Class Representatives in an amount not to exceed \$5,000 for each state-specific subclass representative from the funds obtained for the Settlement Class.

Your objection must state your full name, current address and address when you were charged Internet Taxes by AT&T Mobility. You must also provide copies of any documents you intend to rely upon, the names and addresses of any witnesses who will appear at the hearing, and the name of any counsel representing you. Your deposition may be taken in order to determine the grounds for your objection. The deposition must be limited to topics relating to the objection. Your objection must state why you object to the proposed settlement and any reasons supporting your position.

If you intend to appear in person or through your own attorney at the March 10, 2011, Fairness Hearing described in Paragraph 18 below, you must include with your objection a notice of your intention to appear at the hearing.

17. What's the difference between objecting and excluding?

The hearing may be postponed to a later date without further notice. The purpose of the hearing is to determine the fairness, reasonableness, and adequacy of the terms of settlement; whether the Settlement Class is adequately represented by the Class Representatives and Settlement Class Counsel; and whether an order and final judgment should

be entered approving the proposed settlement. The Court also will consider Settlement Class Counsel's application for an award of attorneys' fees and expenses and Class Representatives' compensation.

19. Do I have to come to the hearing?

No. Settlement Class Counsel will represent the Class at the hearing, but you are welcome to come at your own expense. If you send any objection, you don't have to come to Court to talk about it. As long as you mailed your written objection on time, the Court will consider it. You may also pay your own lawyer to attend, but it's not necessary.

20. May I speak at the hearing?

You may ask the Court for permission to speak at the Fairness Hearing. To do so, you must send with your objection a notice of intention to appear at the hearing as described in paragraph 16 above. You cannot speak at the hearing if you excluded yourself.

Legal Notice

If You Paid Taxes, Fees or Surcharges to AT&T Mobility on Internet Access Through Certain Services including iPhone Data Plans, Blackberry Data Plans, other Smart Phone Data Plans, Laptop Connect Cards, and Pay-Per-Use Data Services. You May Be Entitled To Benefits From A Class Action Settlement.

What is this Notice?

There is a proposed Settlement pending in class actions involving taxes, fees and surcharges ("Internet Taxes") charged by AT&T Mobility LLC ("AT&T Mobility") on internet access through certain services including iPhone data plans, Blackberry data plans, other smart phone data plans, laptop connect cards, and pay-per-use data services on bills issued from November 1, 2005 up to and including September 7, 2010. The lawsuits, captioned as *In Re: AT&T Mobility Wireless Data Services Sales Tax Litigation*, Case No. 1:10-cv-02278 are pending in the United States District Court for the Northern District of Illinois.

What are the Lawsuits About?

The lawsuits claim that AT&T Mobility charged Internet Taxes in violation of the Internet Tax Freedom Act and other state laws. AT&T Mobility strongly denies any wrongdoing, but has agreed to settle to avoid the burden and cost of further litigation. The Court has not made a decision on the merits of the cases.

Who is Included?

You may be a Settlement Class member if you are or were a customer of AT&T Mobility and were charged Internet Taxes on bills issued from November 1, 2005 through September 7, 2010. If you are not sure whether you are included, you can get more information on the Settlement website or by contacting Settlement Class Counsel identified below.

What does the Settlement Provide?

Subject to a future law, regulation or ruling requiring, authorizing or permitting collection of the Internet Taxes in your jurisdiction, AT&T Mobility will cease charging the Internet Taxes on certain services as set forth in the Settlement Agreement. AT&T Mobility, on behalf of the Settlement Class, but at AT&T Mobility's expense, shall prepare and process refund claims for filing with the various taxing jurisdictions seeking a refund of the Internet Taxes collected by AT&T Mobility from the Settlement Class and paid by AT&T Mobility to the taxing jurisdictions. AT&T Mobility and/or the Class Representatives will file the refund claims. As part of the Settlement, AT&T Mobility has assigned its rights, title and interest in such refunds to the Settlement Class. If a taxing jurisdiction issues future tax credits to AT&T Mobility in lieu of a refund of monies sought on a refund claim for Internet Taxes, AT&T Mobility shall remit monies to the escrow accounts established pursuant to the Settlement. If the use of the future tax credit will be spread over a three (3) year period or less, AT&T Mobility shall remit monies to the escrow accounts equal to the total future tax credits. If the use of the future tax credit will be spread over a period longer than three (3) years, AT&T Mobility shall remit monies to the escrow accounts equal to the net present value of such future tax credits for the fourth and succeeding years using a 5% discount rate to compute the net present value. The amount of the first three (3) years shall be paid with no discount. Finally, AT&T Mobility has agreed to pay to the Settlement Class any vendor's compensation related to the Internet Taxes AT&T Mobility was allowed by certain taxing jurisdictions in the form of a credit against taxes owing to the taxing jurisdictions, which is generally considered to be compensation for the vendor's collecting and remitting taxes to the taxing jurisdiction. Vendor's compensation shall not include amounts to which AT&T would have been entitled independent of the collection of Internet Taxes based on limitations on the amount of credit allowed pursuant to applicable law. All refunds or payments by AT&T Mobility related to credits and payments of the vendor's compensation will fund separate escrow accounts for the benefit of the Settlement Class.

Payments to Settlement Class members will be made when all of the refunds/credits are made from each taxing jurisdiction in each state and after deduction of Court approved costs, expenses and attorneys' fees and Class Representative Compensation.

WITNESSETH:

WHEREAS, plaintiffs filed cases in various courts (the "Actions") which were subsequently transferred to the United States District Court for the Northern District of Illinois (the "Court") for all pretrial purposes pursuant to transfer orders from the Judicial Panel on Multidistrict Litigation. In the Actions, plaintiffs allege that AT&T Mobility charges customers for taxes on internet access through certain services including iPhone data plans, Blackberry data plans, other smart phone data plans, laptop connect cards and pay-per-use data services in violation of the Internet Tax Freedom Act, 47 U.S.C. § 151 (1998) (as amended) and/or other state laws;

WHEREAS, as of _____, 2010, AT&T Mobility entered into a Global Class Action Settlement Agreement (the "Settlement Agreement") with certain named Class Plaintiffs, acting both individually and on behalf of the Settlement Class, to settle and resolve claims asserted in the Actions as to AT&T Mobility, which is attached hereto as **Exhibit A**; and

WHEREAS, this Escrow Agreement sets forth the terms and conditions with respect to the funds that will be deposited into Escrow Accounts pursuant to the Settlement Agreement, to be retained therein and distributed therefrom in accordance with the terms of the Settlement Agreement, this Escrow Agreement, the Plan of Distribution approved by the Court, or any subsequent court, or as otherwise directed by the Court.

NOW, THEREFORE, the parties hereto agree as follows:

SECTION 1. Appointment of Escrow Agent.

The Escrow Agent is hereby appointed to act as escrow agent on the terms and conditions set forth herein, and the Escrow Agent hereby accepts such appointment on such terms and conditions.

SECTION 2. Escrow Funds.

Pursuant to the Settlement Agreement, and subject to the conditions set forth therein, AT&T Mobility and Interim Settlement Class Counsel will deposit or direct a taxing jurisdiction to deposit monies into Escrow Accounts by wire transfer.

The Escrow Agent will establish an Escrow Account with sub-accounts, one for each taxing jurisdiction set forth on **Schedule A** to this Escrow Agreement (hereinafter the "Escrow

Accounts”). As AT&T Mobility and Interim Settlement Class Counsel deposit or direct a taxing jurisdiction to deposit monies pursuant to this Escrow Agreement, they will identify in writing to the Escrow Agent which Escrow Account the monies are to be deposited.

The amounts deposited into the Escrow Accounts together with interest thereon and any other income realized by the investment of such amounts shall constitute the Escrow Funds.

The Escrow Accounts shall be established, funded and managed as one of a group of escrow accounts created, and to be created, by the Escrow Agent in accordance with the terms of this Escrow Agreement (collectively, the “Internet Tax QSF Escrow Accounts”).

SECTION 3. Investment of Escrow Fund.

(a) The Escrow Agent shall invest and reinvest the Escrow Funds in either (i) direct obligations of the United States of America or obligations the principal of and the interest on which are unconditionally guaranteed by the United State of America; or (ii) shares of a money market fund managed by the Escrow Agent or any of its subsidiaries or affiliates which invest only in the obligations referenced in (i) or in shares of other money market funds that invest in (i) above and that comply with Rule 2a-7 of the Investment Company Act of 1940 (“SEC Rule 2a-7”). In the absence of written instructions from the Interim Settlement Class Counsel for the Settlement Class, the Escrow Agent is hereby directed to invest the Escrow Funds in United States Treasury Securities. The Escrow Agent shall furnish Interim Settlement Class Counsel for the Settlement Class, AT&T Mobility, the Settlement Administrator appointed for the Actions, and the firm engaged to render tax-related services with monthly statements reporting deposits made, interest earned, and disbursements made from the Escrow Accounts during the prior calendar month.

(b) All interest on or other income realized by investment of the Escrow Funds, or any portion thereof, as permitted pursuant to subsection (a) of this Section, shall be accumulated and added to the Escrow Funds and shall be distributed as part of the Escrow Funds as set forth in Section 4 herein. Any loss resulting from any such investments shall similarly be deducted from the Escrow Funds and all distributions to be paid as set forth in Section 4 herein. The Escrow Agent shall not be liable for any losses resulting from any depreciation in the market value of any such investments (unless the loss is attributable to a failure to adhere to the investment limitations defined in subsection (a) of this Section) or loss due to investment or sale of investment as directed by Interim Settlement Class Counsel for the Settlement Class as set forth in Section 3(a). The Escrow Agent is not providing investment supervision, recommendations or advice, and the parties hereby acknowledge receipt of prospectuses and/or disclosure materials associated with any investments selected pursuant to this Section 3, either in hardcopy or via access to the website associated with each such investment.

SECTION 4. Release of Escrow Fund.

The Escrow Agent shall disburse and release the Escrow Funds as follows in accordance with the Settlement Agreement:

(a) After the Escrow Agent has received written notice signed by Interim Settlement Class Counsel for the Settlement Class, the Escrow Agent shall disburse amounts (pursuant to Court order and as directed in writing by Interim Settlement Class Counsel for the Settlement Class) for:

- (i) payment of taxes (including any estimated taxes, interest or penalties) and tax-related fees and expenses;
- (ii) payment of costs and expenses of the Escrow Agent in accordance with the Settlement Agreement, including such costs and expenses incurred in investing and distributing the Escrow Funds and otherwise administering the Escrow Accounts. The Escrow Agent's fees for its services shall be as specified in **Schedule B** attached hereto or as otherwise agreed to by the parties and specified in a written amendment to **Schedule B**. There shall be no other mark-ups, charges, expenses or fees other than those identified in **Schedule B** or any written amendment thereto. Any invoice for fees shall be submitted to Interim Settlement Class Counsel for the Settlement Class, and shall be paid out of the Escrow Funds upon the Escrow Agent's receipt of written approval of the invoice by Interim Settlement Class Counsel for the Settlement Class;
- (iii) payment of reasonable Costs of Settlement Administration; and
- (iv) payment of any other cost, expenses or expenditures that may be directed by the Court.

In view of the time-sensitivity concerning the payment of taxes, estimated taxes, and tax-related fees and expenses as provided in subparagraph (a)(i) above, written authorization from _____, or from any person [he/she] may designate in writing to act on [his/her] behalf, shall constitute sufficient authority to disburse amounts from the Escrow Funds for any such payments.

(b) If the Escrow Agent has received written notice signed by Interim Settlement Class Counsel for the Settlement Class of the Court's approval of a fee and expense award, the Escrow Agent shall, pursuant to the direction of Interim Settlement Class Counsel for the Settlement Class, disburse amounts for the payment of attorneys' fees and expenses incurred in connection with the litigation and settlement of the Actions, as awarded by the Court and as set forth in the Settlement Agreement;

(c) If the Escrow Agent has received notice, the Escrow Agent, shall, at the option of Interim Settlement Class Counsel for the Settlement Class, acting with approval of the Court, transfer all or part of Escrow Funds to the Settlement Administrator selected by Interim Settlement Class Counsel for the Settlement Class for immediate distribution to authorized recipients as directed in writing by Interim Settlement Class Counsel for the Settlement Class in accordance with the Plan of Distribution approved by the Court; and

(d) Any and all notice or direction to the Escrow Agent under the terms of this Escrow Agreement shall be substantially in the form and substance of the Certification and Instruction Letter attached hereto as **Exhibit B** and shall attach the Court Order approving or authorizing any such notice or direction.

SECTION 5. Qualified Settlement Fund.

In accordance with Paragraph 8.13 of the Settlement Agreement, the Escrow Funds shall be treated as being at all times a “qualified settlement fund” within the meaning of Treas. Reg. § 1.468B-1 (or any successor regulation).

SECTION 6. Termination of Escrow Agreement.

This Escrow Agreement shall terminate when the Escrow Agent shall have released from the Escrow Funds all amounts pursuant to Section 4 herein.

SECTION 7. Escrow Agent.

(a) The Escrow Agent shall have no duty or obligation hereunder other than to take such specific actions as are required of it from time to time under the provisions of this Escrow Agreement or order of the Court, or any subsequent court, and all laws and regulations of any governing sovereign, and it shall incur no liability hereunder or in connection herewith other than as a result of its breach of the terms of this Escrow Agreement, its own gross negligence or willful misconduct. The only duties and responsibilities of the Escrow Agent are those set forth herein. The Escrow Agent is not bound by the terms of the Settlement Agreement, but is only obligated to perform as provided in this Escrow Agreement, and with the instructions of the Interim Settlement Class Counsel for the Settlement Class and the Court. In reliance on any such instruction, the Escrow Agent shall not have any responsibility to determine whether such instructions comply with the terms of the Settlement.

The Escrow Agent shall not be responsible in any manner for the validity or sufficiency of any property delivered hereunder. The Escrow Agent shall be responsible for tax reporting and for the preparation or filing of any tax returns or forms that may be required. The Escrow Agent is authorized to retain a certified public accounting firm, whose fees and expenses are to be borne by the Escrow Funds for that purpose and disbursed pursuant to the terms of the Escrow Agreement in accordance with the Settlement Agreement.

(b) The Escrow Agent may rely upon any notice, certificate, instrument, request, paper or other documents believed by it to be genuine and to have been made, sent or signed by Interim Settlement Class Counsel for the Settlement Class in accordance with this Escrow Agreement, and shall not be liable for any action taken or omitted by it, consistent with the terms herein, in connection with the performance by it of its duties pursuant to the provisions of this Escrow Agreement, except for its own gross negligence, breach of the terms of this Escrow Agreement or willful misconduct. Concurrently with the execution of this Escrow Agreement, Interim Settlement Class Counsel for the Settlement Class shall deliver to the Escrow Agent authorized signers’ lists in the form of **Schedule C** to this Escrow Agreement.

(c) The Escrow Agent may resign at any time by giving written notice of resignation to the other parties hereto, but such resignation shall not become effective until a successor escrow agent shall have been appointed and shall have accepted such appointment in writing. If an instrument of acceptance by a successor escrow agent shall not have been delivered to the Escrow Agent within thirty (30) days after the giving of such notice of resignation, then Interim Settlement Class Counsel for the Settlement Class shall petition the Court for the appointment of a successor escrow agent (any costs incurred in connection with any such provision to be assessed against the Escrow Funds). Interim Settlement Class Counsel for the Settlement Class may replace the Escrow Agent at any time by giving written notice to the Escrow Agent that a successor escrow agent has been appointed and has accepted such appointment. Upon the Escrow Agent's receipt of written notice of acceptance by a successor escrow agent or a Court order appointing a successor escrow agent, the Escrow Agent shall be free of all obligations and liabilities hereunder and shall transfer any balance of the Escrow Funds to such successor agent.

(d) In no event shall the Escrow Agent be liable, directly or indirectly, for any damages or expenses arising out of its services provided hereunder, other than damages (such as special, indirect, or consequential damages or losses of any kind) which result from the Escrow Agent's gross negligence, breach of the terms of this Escrow Agreement or willful misconduct. The obligations and agreements of the parties hereto under this Section 7 shall survive the termination of this Escrow Agreement.

(e) Under no circumstances shall the Escrow Agent be required to risk or advance its own funds, or to incur any personal financial liability in the performance of its duties or exercise of its rights under this Escrow Agreement.

(f) The Escrow Agent shall be entitled to rely on the advice of counsel or other professionals retained or consulted by the Escrow Agent. The Escrow Agent shall be reimbursed as set forth in Section 4(a)(ii) hereof for any and all compensation (fees, expenses and other costs) paid and/or reimbursed to such counsel and/or professionals.

(g) If any conflict, disagreement or dispute arises between, among, or involving any of the parties hereto concerning the meaning or validity of any provision hereunder or concerning any other matter relating to this Escrow Agreement, or the Escrow Agent is in doubt as to the action to be taken hereunder, the Escrow Agent is authorized to retain the Escrow Funds until the Escrow Agent (i) receives a final non-appealable order of a court of competent jurisdiction directing delivery of the Escrow Funds, or (ii) files an interpleader action in any court of competent jurisdiction, and upon the filing thereof, the Escrow Agent shall be relieved of all liability as to the Escrow Funds and shall be entitled to recover attorneys' fees, expenses and other costs incurred in commencing and maintaining any such interpleader action from the Escrow Funds. The Escrow Agent shall be entitled to act on any such agreement or Court order without further question, inquiry, or consent.

SECTION 8. Miscellaneous.

All notices under this Escrow Agreement shall be in writing, and each notice shall be given either by (a) hand delivery; (b) first-class, registered or certified mail, return receipt requested, postage pre-paid; or (c) Federal Express or similar overnight courier and, in each case, shall be addressed to the party(ies) hereto at their address(es) set forth in this Escrow

(d) Jurisdiction and Venue. The parties hereto hereby irrevocably and unconditionally waive any objection to the laying of venue of any such suit, action or proceeding in the Court and hereby further irrevocably waive and agree not to plead or claim in such Court that any such suit, action or proceeding has been brought in an inconvenient forum.

(e) Definitions. Terms with initial capital letters used herein that are defined in the Settlement Agreement are, unless otherwise defined herein, used in this Escrow Agreement as defined in the Settlement Agreement.

(j) Instances herein which require notice, direction or signature from Interim Settlement Class Counsel for the Settlement Class shall require the signature of a representative of one of the Interim Settlement Class Counsel for the Settlement Class parties, as such signatures are listed herein on **Schedule C**.

(k) Identifying Information. To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. For a non-individual person such as a business entity, a charity, a Trust, or other legal entity, the Escrow Agent requires documentation to verify its formation and existence as a legal entity. The Escrow Agent may ask to see financial statements, licenses, identification and authorization documents from individuals claiming authority to represent the entity or other relevant documentation. The signatories hereto acknowledge that a portion of the identifying information set forth herein is being requested by the Escrow Agent in connection with the USA Patriot Act, Pub.L.107-56 (the "Act"), and the parties hereto agree to provide any additional information requested by the Escrow Agent in connection with the Act or any similar legislation or regulation to which Escrow Agent is subject, in a timely manner.

(l) Security Advice Waiver. The parties hereto acknowledge that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the parties hereto the right to receive brokerage confirmations for certain security transactions as they occur, the parties hereto specifically waive receipt of such confirmations to the extent permitted by law. The Escrow Agent will furnish the parties hereto periodic cash transaction statements that include detail for all investment transactions made by the Escrow Agent.

Case No. 1:10-cv-02278
Judge Amy J. St. Eve

**ORDER PRELIMINARILY APPROVING SETTLEMENT, CERTIFYING
SETTLEMENT CLASS, APPOINTING SETTLEMENT CLASS COUNSEL,
DIRECTING NOTICE AND STAYING PROCEEDINGS AGAINST DEFENDANTS**

Plaintiffs, Andy Armstrong, Ronald Bendian, Michael Bosarge, Eric Bosse, Vicki L. Campbell, Harvey Corn, Pam Corn, Matthew Cranford, Steven A. DeVore, Jane F. Edmonds, Heather Feenstra-Kretschmar, Adrienne M. Fox, Richard Garner, Stephen S. Girard, David Guerrero, Christopher R. Havron, Christopher Hendrix, Martin Hoke, Meri Iannetti, Christopher Jacobs, Kathy J. Johnson, Jamie Kilbreth, Bert Kimble, Vickie C. Leyja, Jonathan Macy, Rick Manrique, Heather Mazeitis, Bonnae Meshulam, Miracles Meyer, Audrey J. Mitchell, Adrienne D. Munson, Jill Murphy, Gira L. Osorio, Sara Parker Pauley, Joseph Phillips, Heather Rahn, David Rock, Lesley Rock, William J. Rogers, James Marc Ruggiero, Ann Marie Ruggiero, James Shirley, Randall Shuptrine, John W. Simon, Karl Simonsen, Donald Sipple, James K.S. Stewart, Dorothy Taylor, Kirk Tushaus, Matthew Vickery, John W. Wallace, Eleanor T. Wallace, Craig Wellhouser, Aaron White, William A. Wieland, Robert Wilhite, and Penny Annette Wood, by Interim Settlement Class Counsel, and Defendants (referred to as “AT&T Mobility”), by counsel, have submitted a Global Class Action Settlement Agreement and have applied, pursuant to Rule 23 of the Federal Rules of Civil Procedure (“Rule 23”), for an order:

- (1) certifying a Settlement Class and appointing Settlement Class Counsel; (2) preliminarily approving the Terms and Conditions set forth in the Settlement as fair, reasonable and adequate;
- (3) approving forms, content and a program for Notice to the Settlement Class; and (4) scheduling a hearing to consider final approval of the Settlement.

The Court has given due consideration to the terms of the Settlement, the Exhibits to the Settlement, the submissions of the parties in support of preliminary approval of the Settlement, and the record of proceedings herein, and now finds that the class should be certified for settlement purposes, Interim Settlement Class Counsel should be appointed Settlement Class Counsel, and the proposed Settlement should be preliminarily approved for purposes of notifying the Settlement Class of the opt-out and objection deadlines and the date of the Final Fairness Hearing.

ACCORDINGLY, IT IS HEREBY ORDERED:

1. This Court has jurisdiction of the subject matter of these Actions and jurisdiction of the Plaintiffs and AT&T Mobility in the above-captioned case (the "Parties").

2. This action may be maintained as a class action under Rule 23 for settlement purposes on behalf of the following class (the "Settlement Class"):

All persons or entities who are or were customers of AT&T Mobility and who were charged Internet Taxes on bills issued from November 1, 2005 through _____.

Excluded from the Settlement Class are: (i) AT&T Mobility, any entity in which AT&T Mobility has a controlling interest or which has a controlling interest in AT&T Mobility, and AT&T Mobility's legal representatives, predecessors, successors and assigns; (ii) governmental entities; (iii) AT&T Mobility's employees, officers, directors, agents and representatives; and (iv) the Court presiding over any motion to approve this Settlement Agreement.

3. The Court finds for purposes of settlement that the prerequisites to class certification under Rule 23(a) are satisfied, including:

a. The proposed Settlement Class numbers in the millions and is so numerous that joinder of all members is impracticable;

b. There are questions of law and fact common to Plaintiffs and members of the Settlement Class, including whether AT&T Mobility improperly collected tax on internet access in violation of the Internet Tax Freedom Act, 47 U.S.C. § 151 (1998) (as amended) and/or other state statutes;

c. The claims of the Plaintiffs are based on the same legal theories and are typical of the claims of the members of the Settlement Class; and

d. The Plaintiffs are represented by counsel experienced in complex litigation, have no interests in conflict with the interests of members of the proposed Settlement Class, have displayed their commitment to representing the interests of members of the Settlement Class during the course of litigation to date, and will fairly and adequately protect the interests of the Settlement Class.

4. The Court finds for purposes of settlement that the prerequisites to class certification under Rule 23(b)(3) are satisfied because questions of law and fact common to all members of the Settlement Class predominate over questions affecting only individual members of that Class, and certification of the Settlement Class is superior to other available methods for fair and efficient resolution of this controversy.

5. The Court appoints Plaintiffs Andy Armstrong, Ronald Bendian, Michael Bosarge, Eric Bosse, Vicki L. Campbell, Harvey Corn, Pam Corn, Matthew Cranford, Steven A. DeVore, Jane F. Edmonds, Heather Feenstra-Kretschmar, Adrienne M. Fox, Richard Garner, Stephen S. Girard, David Guerrero, Christopher R. Havron, Christopher Hendrix, Martin Hoke, Meri Iannetti, Christopher Jacobs, Kathy J. Johnson, Jamie Kilbreth, Bert Kimble, Vickie C.

Leyja, Jonathan Macy, Rick Manrique, Heather Mazeitis, Bonnae Meshulam, Miracles Meyer, Audrey J. Mitchell, Adrienne D. Munson, Jill Murphy, Gira L. Osorio, Sara Parker Pauley, Joseph Phillips, Heather Rahn, David Rock, Lesley Rock, William J. Rogers, James Marc Ruggerio, Ann Marie Ruggerio, James Shirley, Randall Shuptrine, John W. Simon, Karl Simonsen, Donald Sipple, James K.S. Stewart, Dorothy Taylor, Kirk Tushaus, Matthew Vickery, John W. Wallace, Eleanor T. Wallace, Craig Wellhouser, Aaron White, William A. Wieland, Robert Wilhite, and Penny Annette Wood as Settlement Class Representatives. The Court further appoints Bartimus Frickleton Roberson & Gorny, P.C. and The Huge Law Firm PLLC as Settlement Class Counsel.

6. The terms of the parties' Settlement Agreement are sufficiently fair, reasonable, and adequate to allow dissemination of the notice of the proposed Settlement Agreement to the Class members. This determination permitting notice to the Class is not a finding that the Settlement Agreement is fair, reasonable, and adequate, but simply a determination that there is probable cause to submit the proposed settlement.

7. In the event that the settlement does not become Final (as that term is defined in the Settlement Agreement) in complete accordance with the terms of the Settlement Agreement, then this Order shall be rendered null and void and be vacated and the Settlement Agreement shall be rendered null and void in accordance with the Settlement Agreement.

8. The Court grants preliminary approval of the Settlement Agreement as falling within the range of possible approval and meriting submission to the Settlement Class for its consideration, pursuant to Rule 23.

9. Pursuant to Rule 23, a Fairness Hearing shall be held before this Court at __:00 __.m. on _____, 2010, at the United States District Court, Northern District of Illinois,

219 South Dearborn Street, Chicago, IL 60604. At the Fairness Hearing, the Court will consider:

(a) whether the Settlement Agreement should be finally approved as fair, reasonable, and adequate; (b) whether a final judgment should be entered thereon; (c) whether Settlement Class Counsel fairly and adequately protected the interests of the Settlement Class; and (d) whether Settlement Class Counsel's application for attorneys' fees, costs, expenses, and Class Representative compensation should be approved by the Court.

10. Analysis Research Planning Corporation is hereby approved as the Settlement Administrator.

11. _____ is hereby approved as the Escrow Agent for the Settlement.

12. The Court approves, as to form and content, the Notice Plan set forth in the Settlement Agreement and finds that such notice is the best practicable under the circumstances, in conformity with Federal Rule of Civil Procedure 23(c)(2)(B).

13. AT&T Mobility is hereby directed to cause to be sent the notices in the forms of Exhibits B, C and E to the Settlement Agreement, in accordance with the provisions of paragraph 16 of the Settlement Agreement, on or before _____, 2010 and to send notice in the form of Exhibit D to anyone who requests it; and (b) arrange for the Publication Notice (Exhibit E) to be published twice in the *USA Today* on or before _____, 2010.

14. No later than five (5) days prior to the Fairness Hearing, AT&T Mobility shall file with this Court, and serve on Settlement Class Counsel, an affidavit or declaration stating that the mailing and publication of notices described in paragraph 13 above have been completed.

15. The Court finds that, under the circumstances, the Notices described in paragraph 13 above constitute the best notice that is practicable of the Fairness Hearing, the Proposed Settlement, Settlement Class Counsel's application for fees and expenses, and other matters set

forth in the Notices, and that such distribution of notice constitutes valid, due, and sufficient notice to all members of the Settlement Class, and comply fully with the requirements of Rule 23, the Constitution of the United States, the constitutions and laws of the various states, the Settlement Class members' rights of due process and all other applicable law.

16. Pursuant to 28 U.S.C. § 1715(d), AT&T Mobility shall notify the Court upon expiration of 90 days after the appropriate federal and state officials are served with the notice required under 28 U.S.C. § 1715(b).

17. On or before _____, 2010, Settlement Class Counsel shall submit to this Court and serve AT&T Mobility with any application for reasonable attorneys' fees, costs, and expenses they may wish to make consistent with the Settlement Agreement.

18. All papers raising objections to the settlement shall be filed and served on or before _____, 2010.

19. AT&T Mobility shall pay all costs and expenses of distributing the notices and publishing the Publication Notice.

20. Any person falling within the definition of the Settlement Class may, upon the person's request, be excluded from the settlement. Any such person must submit a request for exclusion, postmarked on or before _____, 2010, to:

Edward D. Robertson, Jr.
BARTIMUS FRICKLETON
ROBERTSON & GORNY, P.C.
P.O. Box 480020
Kansas City, MO 64148

The person making the request for exclusion must sign the request personally or by legal counsel. A request for exclusion must include the (a) full name, (b) current address and (c) address when the person was a customer of AT&T Mobility. The request for exclusion must also state specifically that the person requests exclusion from the Settlement Class in *In Re*:

AT&T Mobility Wireless Data Services Sales Tax Litigation, Case no. 1:10-cv-02278. All persons who submit valid and timely requests for exclusion in the manner set forth in this paragraph shall have no rights under the Settlement Agreement and shall not be bound by the Settlement Agreement or the final judgment herein. All persons falling within the definition of the Settlement Class who do not request exclusion in the manner set forth in this paragraph shall be Settlement Class members and shall be bound by the Settlement Agreement and the final judgment.

21. Any person falling within the definition of the Settlement Class who does not request exclusion in the matter set forth in paragraph 20 above can object to the proposed settlement by filing and serving a written objection. The person making the objection (“objector”) must sign the objection personally or by legal counsel. An objection must: (1) state the (a) full name, (b) current address, and (c) address when the objector paid a tax for internet access to AT&T Mobility and (2) state why the objector objects to the proposed settlement and any reasons supporting such position. Any party wishing to object must provide copies of any documents the objector intends to rely upon, the names and addresses of any witnesses who will appear at the hearing, and the name of any counsel representing the objector. Depositions of those posing objections may be taken so long as they are limited to topics relating to the objection. If an objector intends to appear personally at the Fairness Hearing, the objector must include with the objection a notice of the objector’s intention to appear at the hearing. Objections, along with any Notices of Intent to Appear, must be postmarked on or before _____, 2010 and should be mailed to Settlement Class Counsel and counsel for AT&T Mobility at the addresses listed in the various notices and website. Settlement Class Counsel shall file any

objections and notices of intent to appear with the Court prior to the ____ __, 2010 Fairness Hearing.

22. Only persons in the Settlement Class who have filed and served valid and timely notices of objection, in accordance with paragraph 20 above, shall be entitled to be heard at the Fairness Hearing.

23. Attorneys representing Settlement Class members in this lawsuit, other than Class Counsel herein, must file a Notice of Appearance with the Clerk of the Court, and send a copy to Class Counsel and counsel for AT&T Mobility at the addresses listed in the various notices and website. The Notice of Appearance must be filed on or before ____ __, 2010.

24. Any Settlement Class member who does not file and serve an objection in writing to the Settlement Agreement, to the entry of final judgment, or to the Class Counsel's application for fees, costs, expenses and Class Representative compensation, in accordance with the procedure set forth in the Notices and as mandated in this Order, shall be deemed to have waived any such objection by appeal, collateral attack, or otherwise.

25. The Court may, for good cause, extend any of the deadlines set forth in this Order or adjourn or continue the Fairness Hearing without further notice to the Settlement Class.

26. Pending final determination of whether the settlement embodied in the Settlement Agreement is to be approved, no member of the Settlement Class, either directly, representatively, derivatively, or in any other capacity, shall commence or prosecute any action or proceeding in any court or tribunal asserting any of the claims described in the Settlement Agreement against AT&T Mobility.

EXHIBIT N

REFUND PROCEDURES PROTOCOL

I. Identification of Refund Procedural Requirements

Within 30 days of entry of the Preliminary Approval Order, AT&T Mobility will provide to Interim Settlement Class Counsel a spreadsheet setting forth the following information for each Taxing Jurisdiction listed in Settlement Agreement Exhibits K, L and M (the “Refund Procedural Requirements”).

- A. The period of time which the refund claim is to cover;
- B. A description of the manner in which AT&T Mobility intends to satisfy any statutory or regulatory procedural or documentation requirement for any AT&T Mobility-Filed Refund Claims (defined below); and
- C. Whether the Taxing Jurisdiction requires AT&T Mobility to have repaid the tax for which refund is claimed in order to perfect the refund claim with the Taxing Jurisdiction.

Interim Settlement Class Counsel shall notify AT&T Mobility of any areas of disagreement with the Refund Procedural Requirements within 10 days of receipt of the above spreadsheet.

With regard to any Taxing Jurisdiction that is identified under the Refund Procedural Requirements as requiring AT&T Mobility to repay the tax for which refund is claimed in order to perfect the refund claim, or which notifies AT&T Mobility of such a requirement, Interim Settlement Class Counsel agrees to assist AT&T Mobility in seeking from each such Taxing Jurisdiction an agreement that the requirement is satisfied by the terms of the Settlement Agreement with no payment required to be made by AT&T Mobility (to the Pre-Refund Escrow Account or otherwise).

II. Refund Claim Preparation and Filing

A. AT&T Mobility-Filed Refund Claims

1. Obligations with Respect to AT&T Mobility-Filed Refund Claims

As soon as possible following the entry of the Preliminary Approval Order, and except for good cause within 90 days of such entry, AT&T Mobility shall prepare and file refund claims in each of the Taxing Jurisdictions listed in Settlement Agreement Exhibits K and L (the “AT&T Mobility-Filed Refund Claims”) in accordance with the Refund Claim Procedural Requirements. With regard to those AT&T Mobility-Filed Refund Claims to be filed with the Taxing Jurisdictions listed in Settlement Agreement Exhibit L, AT&T Mobility will undertake to file such refund claims jointly on behalf of both AT&T Mobility and the Settlement Class members. AT&T Mobility will promptly file all AT&T Mobility-Filed Refund Claims with the Taxing

Jurisdictions via first class certified/return receipt requested United States Mail. AT&T Mobility will make copies of all AT&T Mobility-Filed Refund Claims available to Interim Settlement Class Counsel through a website to which Interim Settlement Class Counsel will be given access and upon which documents will be stored and available for down-loading and printing (the “Electronic Data Room”).

AT&T Mobility will, if necessary, file an amended return, amended refund claim or other supplemental information with a Taxing Jurisdiction addressing those potential Settlement Class Members who give notice pursuant to the Settlement Agreement that they have chosen to be excluded from the Settlement Agreement. Any such supplemental filing will be made available to Interim Settlement Class Counsel through the Electronic Data Room.

2. Conversion of AT&T Mobility-Filed Refund Claims

With the consent of the Parties, which shall not be unreasonably withheld, any Taxing Jurisdiction listed on either Settlement Agreement Exhibit K or L as an AT&T Mobility-Filed Refund Claim may be converted so that it is instead included on (and subject to the portions of the Settlement Agreement and this Refund Procedures Protocol addressing) one of the other two lists of Taxing Jurisdictions attached as Exhibits to the Settlement Agreement.

B. Settlement Class Member-Filed Refund Claims

1. Obligations with Respect to Settlement Class Member-Filed Refund Claims

As soon as possible following the entry of the Preliminary Approval Order, AT&T Mobility will provide a refund claim template to be used for refund claims for the Internet Taxes paid to the Taxing Jurisdictions listed in Exhibit M to the Settlement Agreement, as to which AT&T Mobility lacks standing to file a claim (the “Settlement Class Member-Filed Refund Claims”). AT&T Mobility will then promptly provide to Interim Settlement Class Counsel documentation showing the aggregate Internet Taxes paid to each such Taxing Jurisdiction for the period noted in the Refund Procedural Requirements, and such other information as is requested by the Interim Settlement Class Counsel and available in AT&T Mobility’s records in a format determined by AT&T Mobility. AT&T Mobility shall provide such other information reasonably requested by the Taxing Jurisdiction and readily available to AT&T Mobility that is needed to process the refund claim unless excused by the Court. AT&T Mobility shall have no further obligations with regard to the Settlement Class Member-Filed Refund Claims.

2. Conversion of Settlement Class Member-Filed Refund Claims to AT&T Mobility-Filed Refund Claims

Within 45 days of entry of the Preliminary Approval Order, Interim Settlement Class Counsel may cause a Class-Filed Refund Claim to instead be treated as an AT&T Mobility-Filed Refund Claim by presenting to AT&T Mobility a written agreement from the relevant Taxing Jurisdiction that provides that AT&T Mobility has standing and is permitted to file the refund claim or claims in question. Such written agreement must be signed by an authorized representative of the relevant Taxing Jurisdiction. To the extent that the Taxing Jurisdiction later refuses to accept or otherwise denies the refund claim(s) in question because it was filed by

AT&T Mobility, AT&T Mobility shall have no further responsibility for that refund claim other than to provide the information required in subpart B.1 above.

C. Standard Contents of Refund Claims

Each AT&T Mobility-Filed Refund Claim and the refund claim template to be provided for Settlement Class Member-Filed Refund Claims shall include the following:

1. Factual description of the services through which AT&T Mobility provided Internet access (the charges for such services being the base upon which Internet Taxes were computed).

2. A statement that both AT&T Mobility and the Settlement Class have consented to the filing of the refund claim and to all requests made therein, join in the filing of the refund claim to the extent that is permitted, assign to the other party any of its rights necessary to the filing and perfection of the refund claim, to the extent possible have waived any requirement that AT&T Mobility pay refunds to the Settlement Class prior to obtaining a refund or credit from the Taxing Jurisdiction, and have waived any other rights that might be inconsistent with the refund claim or the manner in which it has been filed.

3. A demand that all interest permitted by law be refunded in addition to all requested Internet Taxes.

4. For AT&T Mobility-Filed Refund Claims, an offer by AT&T Mobility to accept credits against future tax in lieu of a cash refund.

5. A request that refunds be paid by the Taxing Jurisdiction directly to the Escrow Account, if possible.

6. A statement advising the Taxing Jurisdiction that for both (i) refunds paid by the Taxing Jurisdiction directly to the Escrow Account and (ii) refunds paid or credits issued by the Taxing Jurisdiction to AT&T Mobility which AT&T Mobility is obligated to pay to the Escrow Account within seven (7) business days of receipt, all sums deposited in the Escrow Account will be assigned to and solely for the benefit of the Settlement Class in accordance with the distribution procedures under the Settlement Agreement.

III. Monitoring and Negotiation of AT&T Mobility-Filed Refund Claims

A. Monitoring of AT&T Mobility-Filed Refund Claims

AT&T Mobility will respond to inquiries from the Taxing Jurisdictions regarding the AT&T Mobility-Filed Refund Claims. AT&T Mobility will have no obligation to monitor Settlement Class Member-Filed Refund Claims. AT&T Mobility shall promptly make available to Interim Settlement Class Counsel by posting to the Electronic Data Room all inquiries relating to the AT&T Mobility-Filed Refund Claims received from a Taxing Jurisdiction and all responses given to a Taxing Jurisdiction in response to an inquiry. At the request of Interim

Settlement Class Counsel, AT&T Mobility shall consult with Interim Settlement Class Counsel with respect to any such inquiry or response thereto.

To the extent and in the event that a Taxing Jurisdiction notifies AT&T Mobility that it is required to repay the tax for which refund has been requested prior to the Taxing Jurisdiction's refund of such tax, AT&T Mobility shall do so according to the procedures set forth in the Settlement Agreement for the Pre-Refund Escrow Account.

If AT&T Mobility receives notice from a Taxing Jurisdiction that it denies in whole or in part an AT&T Mobility-Filed Refund Claim, AT&T Mobility will immediately notify Interim Settlement Class Counsel. Interim Settlement Class Counsel shall immediately notify AT&T Mobility as to whether the Settlement Class chooses to appeal or otherwise contest the adverse ruling or decision of the Taxing Jurisdiction on the refund claim. AT&T Mobility shall have no obligation to advise the Settlement Class or any of its representatives as to the procedural requirements for perfecting or pursuing such an appeal. However, if the Taxing Jurisdiction sends AT&T Mobility information about the procedural requirements for perfecting or pursuing an appeal, AT&T Mobility shall send a copy to Interim Settlement Class Counsel.

In the event that Interim Settlement Class Counsel advises AT&T Mobility that the Settlement Class has chosen to pursue an appeal of the adverse ruling, AT&T Mobility shall cooperate in the appeal but the Settlement Class shall have primary responsibility for perfecting and pursuing such appeal (even if AT&T Mobility is required to be the nominal appellant). AT&T Mobility and Interim Settlement Class Counsel shall select independent counsel to prosecute the appeal. The independent counsel shall work at the direction of Interim Settlement Class Counsel. AT&T Mobility shall have the right to review and comment on any filings or positions taken with the Taxing Jurisdiction and the right to prohibit the assertion of any positions in such filings that are made in the name of AT&T Mobility and deemed by AT&T Mobility to be inconsistent with the facts, contrary to law, or damaging to AT&T Mobility. The independent counsel shall be paid from any funds generated as a result of the appeal or, if the appeal is unsuccessful, by Interim Settlement Class Counsel. If the Settling Parties disagree on any aspect of the prosecution of an appeal, they will submit the dispute to the Court under its continuing jurisdiction pursuant to the Final Order and any order subsequent thereto.

B. Negotiations Regarding AT&T Mobility-Filed Refund Claims

Interim Settlement Class Counsel may, upon obtaining the advance approval of AT&T Mobility in each instance, meet and discuss the AT&T Mobility-Filed Refund Claims with representatives of a Taxing Jurisdiction. In any such meeting or discussion, Interim Settlement Class Counsel shall identify themselves as such and not as a representative or agent of AT&T Mobility. AT&T Mobility shall have the right to participate in any and all such discussions and shall have the right to approve or reject any proposed resolution of the AT&T Mobility-Filed Refund Claims that Interim Settlement Class Counsel may seek to negotiate with the Taxing Jurisdiction.

IV. Miscellaneous

A. Definitions

All terms with initial capital letters used herein that are defined in the Settlement Agreement are used in this Refund Procedures Protocol as defined in the Settlement Agreement.

B. Notice

All notice requirements in this Refund Procedures Protocol as between AT&T Mobility and Interim Settlement Class Counsel are satisfied by posting and storing the relevant notice materials in the Electronic Data Room.

Exhibit O

PLAN OF DISTRIBUTION

THIS PLAN OF DISTRIBUTION (the Plan of Distribution, together with all amendments and exhibits hereto, the “Plan of Distribution”) is made as of the ___ day of _____, 2010 (the “Effective Date”), by and among SETTLEMENT CLASS COUNSEL; ANALYSIS RESEARCH PLANNING CORPORATION, in its capacity as Settlement Administrator; and _____, in its capacity as Escrow Agent and fixes the protocols by which the Net Refund Payments (as defined in section 1 below) shall be distributed to Settlement Class Members. Capitalized terms used herein but not defined herein shall have the meanings ascribed to them in the Global Class Action Settlement Agreement (the “Settlement Agreement”) approved by the Court on _____, 2010, in the matter styled “In re: AT&T Mobility Wireless Data Services Sales Tax Litigation.”

1. Establishment of Subaccounts. As soon as necessary after the Effective Date, the Escrow Agent, in consultation with the Settlement Administrator, shall establish by book entry (or by such other means as the Escrow Agent and the Settlement Administrator shall agree) a separate account (each, a “Subaccount”) for each Taxing Jurisdiction listed on Exhibit H to the Settlement Agreement for the benefit of those Class Members who paid Internet Taxes to that Taxing Jurisdiction. After deducting the Administrative Fund Surcharge (as defined in section 2 below) from each payment it receives pursuant to section 8 of the Settlement Agreement (each, a “Refund Payment”), the Escrow Agent shall credit the balance of the Refund Payment (the “Net Refund Payment”) to the Subaccount for the Taxing Jurisdiction that made the Refund Payment (or on behalf of which the Refund Payment was made).

2. Collection of Administrative Fund Surcharge; Payment of Extraordinary Items.

(a) In order to fund the Costs of Settlement Administration, as well as the legal fees and expenses awarded to Settlement Class Counsel (“Approved Fees”), the Escrow Agent shall deduct from each Refund Payment an amount equal to five percent (5%) of each such Refund Payment (the “Administrative Fund Surcharge”). The Escrow Agent shall establish a separate account (the “Expense Funding Account”) for the monies it collects on account of the Administrative Fund Surcharge, and the Settlement Administrator shall have exclusive control over the Expense Funding Account, but any withdrawal from it shall be done only in accordance with the terms of an administrative order (the “Administrative Order”) to be entered by the Court. All interest earned on the Settlement Fund shall be used solely to fund the Costs of Settlement Administration and Approved Fees, and the Escrow Agent shall, as directed by the Settlement Administrator, transfer (or shall cause to be transferred) to the Expense Funding Account the interest that has accrued on the Settlement Fund since the date that interest was last transferred.

(b) The fees and expenses of the Settlement Administrator and of the Escrow Agent shall constitute Costs of Settlement Administration and shall be paid pursuant to the terms of the Administrative Order.

(c) It is possible that, from time to time, the qualified settlement fund created pursuant to the Settlement Agreement may incur expenses (“Significant Identifiable Expenses”) that the Settlement Administrator concludes in its business judgment are (i) significant, and (ii) directly attributable to matters involving readily identifiable Taxing Jurisdictions. In such instances, the Settlement Administrator may allocate any portion of the Significant Identifiable Expenses to the Subaccount for that Taxing Jurisdiction, and in such instances, those Significant Identifiable Expenses shall be borne solely by the Subaccount for that Taxing Jurisdiction.

3. Payments to Settlement Class Members. In order to minimize the Costs of Settlement Administration, no payments shall be made to Settlement Class Members residing in a State or similar governmental unit until such time as the Settlement Administrator concludes in its business judgment either (i) that the Refund Payments made by the Taxing Jurisdictions to date represent the maximum recovery for Settlement Class Members in that State or similar governmental unit, or (ii) that additional Refund Payments will be delayed for such a period so as to warrant an interim distribution to Settlement Class Members in that State or similar governmental unit. Upon making either determination, the Settlement Administrator and Settlement Class Counsel shall jointly propose to the Court that the Settlement Administrator make a distribution to the Settlement Class Members residing in that State, and upon entry of a final order approving that distribution (the “Distribution Order”), the Settlement Agent shall direct the Escrow Agent to make payments as directed in the Distribution Order.

4. Payments to Settlement Class Members; Treatment of Unclaimed Cash.

(a) Each Settlement Class Member shall receive, on account of the Internet Taxes that Settlement Class Member paid, the Settlement Class Member’s *pro rata* share of the Net Refund Payments made by, or on behalf of, the Taxing Jurisdictions that received Internet Taxes from the Settlement Class Member. To calculate each Settlement Class Member’s *pro rata* share of the Net Refund Payment for that State or similar governmental unit, the Settlement Administrator shall be entitled to rely solely on the information provided by AT&T Mobility pursuant to section 15 of the Settlement Agreement.

(b) Upon the Escrow Agent being directed by the Settlement Administrator to make a payment to Settlement Class Members (which direction shall only come after entry of a Distribution Order entered by the Court), the Escrow Agent shall deduct from the Subaccounts of those Tax Jurisdictions specified by the Settlement Administrator the amounts specified by the Settlement Administrator and transfer those amounts to an account acceptable to the Settlement Administrator (the “Payment Account”) from which payments to Settlement Class Members shall be made. All payments to Settlement Class Members shall be made by check, and each

check shall set forth, to the extent possible, the amount that the Settlement Class Member is receiving on account of the Internet Taxes the Settlement Class Member paid to certain Taxing Jurisdictions. The Settlement Administrator and Settlement Class Counsel may also request that the Escrow Agent include additional information with each check, and the Escrow Agent shall use its best efforts to accommodate those requests. The Escrow Agent shall be responsible for issuing and mailing the checks to Settlement Class Members. The Escrow Agent shall be entitled to rely exclusively in the first instance on the addresses of Settlement Class Members provided it by AT&T Mobility and the Settlement Administrator.

(c) Each check issued from the Payment Account to a Settlement Class Member shall bear a legend that it will be void if not presented for payment within 180 days of issuance. Subject to review and approval of the Court, in the event a Settlement Class Member does not timely present a check (a “Stale Item”), that Settlement Class Member’s claim shall be deemed extinguished, and the Settlement Administrator shall not issue that Settlement Class Member a replacement for the Stale Item.

(d) In the event a check issued to a Settlement Class Member is returned by the United States Postal Service to the Escrow Agent as undeliverable as addressed but with a forwarding address, the Escrow Agent shall promptly resend that check to the Settlement Class Member at the address provided it by the United States Postal Service on the returned envelope. In the event a check is returned to the Escrow Agent with no forwarding address (or if the forwarding address provided by the United States Postal Service has expired) (collectively, an “Undeliverable Item”), the Escrow Agent need not take any further action with respect thereto other than to note on its records that the check as addressed is undeliverable.

(e) The Settlement Administrator shall from time to time cause to be transferred from the Payment Account to an account created for that purpose (the “Escheat Account”) the cash that is equal to the face amount of the Stale Items and Undeliverable Items. The Escheat Account shall be under the control of the Settlement Administrator and Settlement Class Counsel, but the Settlement Administrator shall make no transfers from the Escheat Account without the prior approval of the Court.

(f) Upon the Settlement Administrator determining that no further payments can be made to Settlement Class Members and that all of the Costs of Administration and Approved Fees have been paid, the Settlement Administrator shall cause the funds remaining in the Subaccounts, the Expense Funding Account and the Payment Account to be transferred to the Escheat Account, and the monies in the Escheat Account shall then be distributed as the Court directs.

5. Opt-Out Refunds. In the event an individual who would otherwise be a Settlement Class Member elects to opt-out of the Settlement Class (an “Opt-Out Member”), the Settlement Administrator shall, as soon as practical, refund to the Taxing Jurisdictions any

monies that the Settlement Administrator received, or will receive, from or on behalf of a Taxing Jurisdiction on account of the Internet Taxes paid by the Opting-Out Member.

6. Access to Information. The Escrow Agent shall provide the Settlement Administrator with such access to the Escrow Account, the Subaccounts, the Expense Funding Account, the Payment Account and the Escheat Account as the Settlement Administrator directs.

7. Status Reports. Until such time as no monies remain in the Escrow Account, the Subaccounts, the Expense Funding Account, the Payment Account and the Escheat Account, the Settlement Administrator shall, within 120 days of the end of each calendar year, file an accounting with the Court summarizing in reasonable detail the funds collected and disbursed by the Settlement Agent in the preceding calendar year.

8. Dispute Resolution. As provided in section 29 of the Settlement Agreement, any dispute or controversy involving the interpretation or implementation of this Plan of Distribution, including, without limitation, any claims against AT&T Mobility, Settlement Class Counsel, the Settlement Administrator and the Escrow Agent, shall be decided by the Court.

9. Indemnification. Except in the case of gross negligence or willful misconduct, any claim asserted against Settlement Class Counsel, the Settlement Administrator or the Escrow Agent (each, an "Indemnified Party") arising out of the negotiation or implementation of either the Settlement Agreement or this Plan of Distribution shall, to the fullest extent provided by law, be paid from the Expense Funding Account and if there are insufficient funds in the Expense Funding Account, from a *pro rata* charge against each of the Subaccounts. Any cost of defense incurred by an Indemnified Party shall likewise be paid from the Expense Funding Account and, if necessary, from the Subaccounts.

10. Counterparts. This Plan of Distribution may be executed in any number of counterparts and will be binding when it has been executed and delivered by the last signatory hereto to execute a counterpart

11. Successors and Assigns. This Plan of Distribution shall be binding upon, and inure to the benefit of, the parties hereto and their respective successors and assigns.

12. Continuing Jurisdiction. The Court shall retain jurisdiction in order to resolve any matter involving the construction, interpretation or modification of this Plan of Distribution.

13. No Amendment Without Court Approval. Because this Plan of Distribution is an integral part of the Settlement Agreement, no term of it may be modified without the approval of the Court.

14. Governing Law. Because the Settlement Agreement provides that the laws of State of Georgia shall govern its interpretation and the Plan of Distribution is an integral part of

the Settlement Agreement, the laws of the State of Georgia shall likewise govern this Plan of Distribution without giving effect to its conflicts of law principles.

15. Settlement Agreement Controls. In the event of a conflict between the terms of the Settlement Agreement and this Plan of Distribution, the terms of the Settlement Agreement shall control.

IN WITNESS WHEREOF, the parties hereto have executed this Plan of Distribution as of the date first above written.
